

Happy Valley School

School Supplies List for Students (FIRST SEMESTER) - 2010-2011

1. Some supplies will need to be replenished the second semester because we do not have room to store everything for the entire year in the classrooms. We need space for books.
2. No pencil sharpeners or mechanical pencils from home, please. Also, no decorative, toy pencils because they ruin our expensive, electric sharpeners.
3. No Liquid paper or liquid white out may be brought to school or used on campus.
4. Binders or 3 ring organizers are not used in our classrooms.
5. Please send your child with a backpack each day with their name clearly displayed on the **outside**.
We discourage backpacks on wheels since they take up extra space, are awkward for children walking in line, and create a tripping hazard.
